- RISE - waist to crotch
- THIGH - widest part of thigh near crotch
- MID THIGH - approx 5" down
- WAIST TO CENTER OF KNEE CAP
- KNEE TO TOP OF FOOT - or where you would like fringe to stop

## Measurements for Shotgun Chaps

- WAIST- under the loops in the jeans you ride in
- RISE - waist to crotch
- THIGH - widest part of thigh near crotch
- MID THIGH - between upper thigh and knee
- KNEE - slightly bent
- KNEE TO TOP OF FOOT
- CALF - halfway between knee and top of foot
- INSEAM - crotch to floor
- OUTSEAM - waist to floor

## Suggestions

- Height and weight is helpful
- Measure with boots on
- Will shotguns need to be wider at the bottom to accommodate winter boots
